Dimensions/Weight

Overall Dimensions (mm): 415(h) x 595(w) x 570(d)
Weight: 46kg

Aesthetics

Finish: Stainless Steel
Interior Finish: Stainless Steel #304 Grade (Including Spray Arms)
Controls: Electronic Controls with LED Screen

Key Features

Child Lock

Allows you to lock the control panel to ensure little hands don't cause big accidents.

Delay Start

You can start your washing cycle within a 1-24hr timeframe, giving you the convenience to wash at any time you like.

Dual Blower Turbo Drying

Dual blowers are used to accelerate the drying process. One fan blows dry air whilst the second fan removes the humid air from the dishwasher cavity.

NB: Drawings are not to scale - they are to assist only.
WARNING: technical specifications and product sizes can be varied by the manufacturer without notice. Cutouts for appliances should only be by physical product measurements.
